## Mystic Community Bikes, Inc.

A nonprofit, bicycle-sharing program for residents and visitors touring Mystic during the summers on donated, reconditioned bikes available at conveniently located distribution centers on a refundable deposit basis.

Mystic Community Bikes' objectives are to provide and support an environmentally friendly transportation option to visitors and residents that will: reduce energy consumption, traffic congestion, noise and air pollution • encourage safe and sustainable transportation and a bike-friendly community by integrating bike planning into town-wide operations • make it easier and more logical to bike to local destinations by creating and connecting bike routes and trails • encourage physical fitness and enhance the overall quality of life for residents and contribute to a positive Mystic experience for visitors.
